

# 1930 L1™ TORCH

## TORCH FEATURES

Tiny but tough, with a super bright beam – the Peli 1930 has a poly-carbonate body, is resistant to chemicals, water & corrosion. The convenient tail switch for constant on/momentary is easy to operate. Supplied with safety lanyard & coloured lens discs for night vision. The L1™ is perfect for close quarter use and offers a lot for it's size.
