

# 3335RZ0 SAFETY TORCH

## TORCH FEATURES

Small & light rechargeable intrinsically safe torch certified for ATEX Zone 0 applications. The 3335RZ0 has built-in performance, offering up to 246 lumens or up to 58 hours of continuous run time, and three light modes: high, low, and flashing. The power switch has a full-time battery level indicator, so you'll always know when it's time to recharge.
